

## **Nomination instructions.**

Nominations and payment for the 2018 Australian Stock Dog Spectacular will be online.

Please follow link from Facebook or [www.aussiestockdog.com.au](http://www.aussiestockdog.com.au)

I hope the online nomination procedure is easier than last year. I suspect we will give it a real good test in the next few days. For those of you who like to be organized, the following list maybe helpful.

**You will need the following information to enter trial dogs and sale dogs.**

We have been trying to make the process very easy. I don't feel we have done that, we have just run out of nerd time and enthusiasm. Please be patient, it will get better.

If you have any trouble please call Kerrie 0427 463 203 (and be prepared to leave a message – she will call you back, I promise). For anybody with slow internet or no internet, please contact us somehow, and we will do whatever we have to do to help you nominate your trial dogs and enter your sale dogs.

### **To be organized you will need;**

- Owner's and / or handler's name and address
- Owner and Handler email address – **if you do not have an email**, select the default email)
- GST number of owner, if registered for GST
- Bank details; including bank, account name, BSB and account number
- Arrival date and departure dates if camping, or name of motel (if known)
- **If you are camping or require kennels, you will be asked to select a stable block and number as well as a camp site.**
- Vehicle rego number
- Dog details; including
  - Event or sale to be nominated into
  - Last vaccination type and date
  - Dog's date of birth
  - Microchip number if it has one
  - Dog registration details if registered with a breed association etc
  - Pedigree for sale dogs and comments for printed catalogue
- Sorry but you will be required to accept waiver on page 4 to compete or sell dogs
- Credit card for payment – type, card number, expiry date and verification code

#### **Important Note Regarding Kennel Sites:**

**Kennel Block D will be filled first, and Block C will then be utilised if necessary.**

**Blocks A & B will be kept for holding dogs on sale day and won't be hired out during the event.**

The following is a breakup of the 6 pages of the nomination procedure. Pages 1 and 2 are basically the owner and dog details, page 3 is the pedigree page for sale dogs, page 4 is a waiver; page 5 is the payment page and page 6 is a summary. Sounds easy. Good luck.
